01234 826400 07775777272 WWW.SBC7.CO.UK

1.0 RESPONSIBILITY

The Hirer will, during the period of the hiring, be responsible for the supervision of the equipment, its care, safety from damage however slight of any sort, and the behaviour of all persons of all ages using the equipment whatever their capacity. The Hirer agrees to make good financially any damage done to the equipment by themselves or their guests whilst on hire. The Hirer shall not use the equipment for any purpose other than that described, and shall not sub-hire or use the equipment or allow the equipment to be used for any unlawful purpose or in any unlawful way. Sundorne Bouncy Castles take no responsibility for underground pipes or cables. There must be a clear area with no dog/pet fouling for the unit to be placed, along with clear access route. Upon collection if the unit is in an unsatisfactory condition, i.e. dirty, or wet (due to water play) then a charge of £30 will be added for cleaning/drying.

2.0 INSPECTION

The Hirer shall be deemed to have inspected the equipment (and accessories if supplied) and to have agreed that it is supplied in good condition unless he/she brings to the attention of Sundorne Bouncy Castles, when it is set up.

3.0 THE HIRE PERIOD

Unless otherwise agreed, the hire period is from actual delivery time until the collection time as specified or after at the discretion of Sundorne Bouncy Castles. Any obstruction by the Hirer or their guests causing unnecessary delay will be charged at £35 per hour or part of. This also applies where BALL PIT/BALLPOOL BALLS ARE NOT BAGGED BY THE HIRER and ready for collection.

4.0 MAXIMUM AGE

Inflatable hire for children is defined as 'persons up to and including the age of 13 years'. Inflatable hire for adults is defined as 'persons of 14 years and over'. Should an adult use an inflatable hired for children, the insurance held by Sundorne Bouncy Castles will become invalid, transferring all liability to the Hirer.

5.0 PUBLIC LIABILITY INSURANCE

PLI is excluded in its entirety following any claim or injury to any third party or employee whether directly or indirectly related to the use of drugs and/or alcohol. Sundorne Bouncy Castles excludes any liability for injury or damage caused to any person using the equipment contrary to the terms and conditions of this contract.

6.0 SUPERVISION

A responsible adult **MUST** supervise the inflatable at all times. On no account should any person under the influence of alcohol or drugs, etc be allowed either on the inflatable or allowed to supervise the equipment.

7.0 OVERCROWDING/SAFETY

Ensure that the inflatable is not overcrowded. Limit the numbers depending on age and size of children/adults using it. Use by large children/adults and small children/adults simultaneously must be avoided. Rough or boisterous play should be stopped immediately, somersaults are not allowed due to the increased risk of injury. Climbing, hanging or sitting on the walls/roof is Dangerous and is not allowed. We recommend that no-one with a history of back or neck problems are allowed on the inflatable.

8.0 THE EQUIPMENT

Inflatables should have a clear space of 3ft (0.90M) all the way around for safety. Only Sundorne Bouncy Castles staff may move the equipment. Users are not allowed on the equipment during inflation or deflation. Children should not be allowed to play at the rear of the inflatable or with the blower unit or electrical cables.

9.0 ELECTRICS

If the inflatable is not used for any part of the day, switch the blower off. Ensure that the vent on the side of the blower is kept clear at all times.

10.0 INCLEMENT WEATHER

Some units are supplied with Shower Covers for light rainfall. In the event of heavy rain or high winds, it is unlikely that delivery of the equipment will proceed for safety. If the unit has already been placed, it is strongly recommended that the inflatable be left running but NOT used. We also recommend a small picnic table be placed over the blower to help prevent rain-water being sucked into the blower, and then into the inflatable. Before play recommences, any wetness, including bubbling, can be dried with a towel.

11.0 MISCELLANEOUS

The following items are **NOT** allowed on/near the inflatables:

- a) **FOOD AND DRINK** to avoid choking and mess.
- b) **SHOES, TOYS, BADGES, JEWELLERY, METAL STUDDED CLOTHING** or any other similar objects which could cause damage to others or the equipment. It is also recommended that spectacles be removed.
